

October 23rd, 2018

Public Works Report

Gravel Roads

Graders are continuing their efforts on soft areas, areas with washboards, and areas with potholes.

Patch gravelling is continuing, as needed, and crews are coming out of the Frisco aggregate pit.

Surfaced Roads

Sweeping of the chip seal coat on the Red Deer River Access Road was completed on October 6th, 2018.

Additional line painting is scheduled to take place the week of October 22nd.

Rout & Seal crack fill on the Prairie Creek Road was completed on October 6th. Blow & Seal crack fill on the Beaver Flat Road was also completed on October 6th.

Crews will continue with hand patching and asphalt repairs as weather permits and will help with yard and facilities maintenance as needed.

Salt and sand are currently being hauled into the North Facility. Salt/sand mixing operations began on October 10th with an anticipated completion of October 26th.

Staff are continuing to monitor weather and have personnel readily available for snow plow call out should the County receive a significant snow event.

Crews have begun to install snow fence; however, some properties are on hold as the crops still need harvesting.

Maintenance

Gravel crushing, within Smith Pit, located at NE 31-37-08-W5M, began on September 17th, 2018. Once completed in the Smith Pit, crushing will commence within the Martin Pit, located at NE 13-39-08-W5M.

Condor Lift Station Phase 2 Upgrades are continuing. Upgrades are scheduled to be completed the week of October 29th, 2018.

Construction on BF 81567, located on Twp. Rd. 42-0 over the East Lobstick Creek (NE-34-41-6-W5), began on October 3rd, 2018. Construction is scheduled to be completed by October 27th, 2018, weather dependant.

Construction on BF 09970, located on Range Road 6-1 (Bingley Road), over the Lobstick Creek (NW 36-40-06-W5M), began on October 5th, 2018. Construction is scheduled to be completed by October 31st, 2018, weather dependant.

Repair(s) and replacement of sidewalks, in Leslieville and Condor, commenced on October 18th, 2018. Work will continue for as long as weather permits or upon completion of contract requirements.

Gravel Road Rehabilitation

The Shoulder Pull Crew on Twp. Rd. 37-2, east of Hwy. 761, has completed the 3500 m project and have moved to Rge. Rd. 5-4, south of Hwy. 11, and have roughed in 1600 m of the 3200 m project.

The Re-Hab Crew has completed Twp. Rd. 39-0, east of the Everdell Road (Clearwater Estates). The crew has since moved to Rge. Rd. 8-4 (Cow Creek Road) and has roughed in the 1400 m with final cleanup underway.

Crew on Rge. Rd. 5-4 has completed road grade construction south of Twp. Rd. 38-4. Final cleanup and remaining culverts are being done. Crew has started on Twp. Rd. 38-4 between Rge. Rd. 5-5 and Rge. Rd. 6-0 with approximately 400 m of the 900 m project roughed in.

Base/Pave Projects

Taimi Road – Pidherney's has finished sloping large fill. Road grade approved and clean up underway from Hwy. 12 south to Twp. Rd. 40-2. Pidherney's has approx. 1600 m roughed in to grade and another 1600 m of right of way stripped. Pidherney's hopes to have dirt in place by end of the week.

Nordegg Manufactured Home Park

PME has started on borrow excavation to finish lot surface grading and plan to be to final grade by end of the week. Final clean up is underway with completion projected for October 31st.

West Country Road Project

Northfork Road Phase 2

Netook Construction has approximately 3.7 km approved of the 5.65 km project. Netook has another 2000 m of road grade to be roughed in. Netook is working on road grade as weather conditions permit. Final cleanup remains to be done on the project.

Facilities

New Public Works Facility

The contractor and staff have commenced work on the shop and office renovations for the New Public Works Facility. The perimeter fence has been installed and the gate is hung.

Condor Public Services Building

Staff has concluded the site suitability analysis around Condor and will be presenting options to Council.

Community Peace Officers

- Officers conducted 16 CVSA inspections over past week within the County.
- County officers took RCMP officer on ride along to assist them in understanding the roles and responsibilities of CPO's in Clearwater County. This is the 4th RCMP officer ride along the county has hosted. Sgt. Miller has received a number of calls from other detachments/CPO's programs for information on this program. It has been promoted to municipalities by the Solicitor General as a way to educate members on how their local peace officers fit into the law enforcement frame work within their communities.
- 2 Bridge overload charges for violations on James River Bridge, one was (17,000 KG over), 2nd was observed by Sgt. Miller in early a.m. (11,000 kgs over)
