

CAO's REPORT

May 22, 2018

1. Clearwater County received a \$10,000 Conditional Grant from Municipal Affairs, Alberta Emergency Management Agency, for Phase 1 - 2018 Flood Readiness Initiative Program. Funds will be used to review and update Clearwater County's flood preparedness emergency plans for an alpine rain on snow event. Based on the findings of the plan review, additional funding may be available in Phase 2 to create or improve flood defenses, infrastructure and, protection of people. Any projects identified as emergency mitigation measures in the plan review, may be considered for funding in Phase 3, which will only be initiated following a forecast of alpine rain on snow, up to 120 hours prior to the event occurring.
2. Starting June 1, 2018, new legislation for the Alberta Occupational Health and Safety Act will come into effect. Administration intends to conduct a full review on the County's procedures and processes for safe work practices to ensure compliance with new legislation and impact on budget.
