Public Works Report

Gravel Roads

Graders have commenced spring maintenance of roadways and are continuing their efforts on soft areas.

Patch gravelling is currently underway.

Surfaced Roads

A tender closed on April 19th, 2018, for the line painting of surfaced roads within Clearwater County. A total of four (4) bids were received with **AAA Striping and Sealing Coating Services** being the low valid bidder. Line painting came in \$32,021.50 lower than the operations budget. Line painting will be completed in the summer 2018.

A tender closed on Friday May 4th, 2018, for the application of dust suppression within Clearwater County. A total of two (2) bids were received. They are currently in the process of being reviewed. Application of dust suppression is anticipated to begin in June.

Frost probes are continually being checked. Approximately 85 cm of frost is out with 65 cm remaining.

Street sweeping of highways is currently underway and scheduled to be completed by May 11th, 2018.

Snow fencing is in the process of being removed. All the snow fencing is scheduled to be removed by Wednesday May 9th, 2018.

Hand patching is currently underway.

Dust suppressions are currently being assessed for repairs within 2018.

Maintenance

A tender closed on April 17th, 2018, for the bridge structure rehabilitation construction of BF 09970 (NW 36-40-06-W5M). A total of twelve (12) bid packages were received with **Formula Alberta Ltd.** being the low valid bidder. The cost of BF 09970 came in \$162,730.20 under the engineer's estimated amount of \$1,186,638.00. Construction to be completed in 2018.

A tender closed on May 3rd, 2018, for the bridge structure rehabilitation construction of BF 13970 (NE 18-37-05-W5M). A total of ten (10) bid packages were received.

They are currently in the process of being reviewed. Construction to be completed in 2018.

A tender closed on Tuesday April 24th, 2018 for the construction of Phase Two upgrades to the Condor Lift Station. A total of three (3) bid packages were received with **Timcon Construction Ltd.** being the low valid bidder. An award letter has been sent and the County is waiting on contract acceptance. Construction to be completed in 2018.

Culverts are being assessed for blockages and replacement for the 2018 program.

County signs continue to be replaced, repaired and washed as needed.

The beaver control program commenced on May 1, 2018.

Gravel Road Rehabilitation

Brushing and burning will continue, as conditions allow, on the 2018 construction projects.

Staff are working on project planning and borrow acquisition for the upcoming 2018 Gravel Road Rehabilitation program. Local utilities are being contacted to discuss project planning and minimize conflicts.

Summer staff have been training on equipment prior to construction start up.

Crews have been placing remaining erosion controls on 2017 projects and marking pre-start up first calls on 2018 projects.

Base/ Pave Projects

Taimi Road – Pidherney's has a tentative start date of late July – Aug/18.

Both Condor and Rocky Wood Road projects are slated to begin on May 22.

West Country Road Project

Netook Construction is preparing to begin stripping right of way on Wednesday, May 9th on Northfork Road Phase 2.
