

# CAO's REPORT

## February 26, 2019

1. The Alberta Rural Education Symposium takes place March 3-5 in Edmonton. This year's symposium will focus on informing and assisting education and municipal leaders in creating partnerships that will mutually benefit both the local school and the community. The recently updated Municipal Government Act contains a new mandate regarding the creation of Joint Use and Planning Agreements (JUPAs) between school divisions and municipalities. This symposium will assist education and municipal leaders in starting this work.

A motion authorizing a councillor(s) attendance is required.

2. The Alberta Coordinated Action for Recycling Enterprises (CARE) 2019 Spring Seminar takes place February 27 to March 1 in High River. The seminar includes presentations and updates on the latest initiatives and technology regarding recycling programs and waste facilities.

Council members on the Regional Solid Waste Authority Board are authorized to attend however should other councillors which to attend, a motion is required.

3. Administration is meeting with Wetaskiwin County Administration on March 15 for a preliminary discussion on the intermunicipal development plan and intermunicipal collaborative framework process between the two municipalities.
