

PARKS

Crimson Lake Provincial Park

Ram Falls Provincial Park

Rocky Mountain House National Historic Site

While the above parks are the most well-known, David Thompson Country has over twenty Provincial Parks, Provincial Recreations Areas and Wilderness Areas for you to explore. You can find them listed at the link.

TRAILS

DTC has a variety of trails to explore, from multi use trails to motorized and non-motorized specific trails. Our hiking trails vary in difficulty from short walks suitable for a soft adventure seeker to hikes that will challenge the hard-core adventurer. Mountain and trail biking are popular activities as well, with Nordegg and Baseline Mountain being two popular destinations. Check the link for the Government of Alberta's Trail information.

Alberta Public Lands Link

Clearwater Trails Initiative Link

If you're looking for motorized access for your ATV, OHV, or Motorbike there are designated areas for you to enjoy. One area to explore is the Clearwater Trails Initiative west of Caroline and the Bighorn area also has dedicated motorized trails as well. There are plenty of areas for horses and we have ranches and outfitters offering guided trail rides if you have riding a horse on your bucket list! Check the link for Public Lands permitted uses.

Landslide Hike
