Nordegg Unveils its Latest Exhibit “Among Clear Waters: Stories of This Place”

(Rocky Mountain House, AB) – Nestled among mountains, forests, and clear waters with endless opportunities for exploration, creativity, and learning, Nordegg unveils its latest exhibit “Among Clear Waters: Stories of This Place” at the Nordegg Discovery Centre (NDC). The grand opening celebration is scheduled for May 22, 2024, marking a significant milestone in Nordegg’s journey of renewal and revitalization.

The NDC Exhibition Renewal Project, led by Hatlie Group, has been a labour of love, embodying the spirit of innovation, resilience, and community that defines Nordegg. This project has been in the works since October 2021, with a focus on strategy, community engagement, and exhibit development to reinvigorate the NDC and position it as a central attraction for locals and visitors alike.

“Today, Nordegg finds itself once again in a time of transition, and the NDC is in a position to anchor that change,” said Clearwater County Reeve Michelle Swanson “The grand opening of the exhibit is about celebrating the rich history, culture, and spirit of Nordegg that makes it such a special place.”

The NDC Exhibition Renewal Project has been a collaborative effort, engaging the community in a thoughtful way to understand their needs and priorities. This inclusive approach has ensured that the NDC reflects the values and aspirations of the people it serves.

The Nordegg Discovery Centre is poised to become a must-visit destination for locals and tourists alike, offering people the opportunity to discover inspiring stories of perseverance, resilience, and creating community.
