

# CAO's REPORT

June 26, 2018

1. The Government of Alberta intends to review the Local Authorities Election Act (LAEA) following each municipal general election, with the most recent elections held in October 2017. Albertans are invited to provide feedback on how elections in municipalities, school boards, Metis Settlements and irrigation districts are conducted by completing an online survey by July 31.

2. Alberta Agriculture and Forestry is recruiting members to represent Alberta's growing local food industry. Applications are now open for Alberta's first ever Local Food Council. The aim of the council will be to provide recommendations on provincial policies, programs, pilot projects or initiatives to support the continued growth and sustainability of Alberta's local food sector. The Provincial Government will reimburse Members and the Chair for time actually spent on the business of the Local Food Council.
